

## "REDA DAY" SKILLS CLINIC

### & REDA vs. GUELPH GRYPHON ALUMNI GAME

The Regional Elite Development Academy will be conducting a hands-on skills clinic for all youth basketball players, ages 8-13.

The clinic focuses on developing 6-core skills in your player. Instruction will be provided by REDA players followed by a skills challenge. All players are eligible to receive prizes.

REDA is a self-funded program that brings some of the top male high school players from across Ontario under one roof. They improve their skills on the court and compete against US prep schools & Canadian colleges & universities.

More? Players and Bio's can be found at  
[www.reda-canada.com](http://www.reda-canada.com)

REDA is a Pilot Program accredited by  
Canada Basketball.

## COMMUNITY SUPPORT

REDA is thrilled to support Guelph community initiatives. As such, REDA will sponsor REDA Day for all players in "Ball 4 All". An outreach program for youth, a Shake True Hoops initiative.

REDA is proud to work with:
